

Scott Dirck Golf Academy Junior Golf Participation Guidelines

Pick up and drop off: First day check in will be held on the back patio behind the golf academy. Please drop off and pick up your child(ren) from the back patio before and after each session. We will no longer be using the front door of the academy and plan to have all juniors meet at the back patio. Parking is limited, please use the bigger lot across from the academy.

What to bring: Please bring water and sunscreen for your child(ren), and hat/jacket if needed. Instructors will be providing snacks at each session and will have extra water. *Proper Attire- Soft spikes or tennis shoes are recommended, sports cleats or sandals will not be allowed and we will not allow juniors to participate if improperly dressed.

Does my Junior Golfer need Golf Equipment: Yes, we do require all juniors to bring their own clubs. We do not have golf equipment for junior golfers to use during these programs (with the exception of the Mini Master's Program). All training equipment and teaching tools will be provided by Scott Dirck Golf Academy Instructors. If you have questions about clubs or are interested in purchasing some for your child(ren) please call us at (320) 219-7677.

Inclement Weather or Rainouts: We are very fortunate to have the ability to hold all camps indoors in the case of rain/weather that would otherwise cause us to reschedule. In the event of inclement weather or excessive heat, please visit our Facebook page to check the status of the weekly activities. In addition, we will notify everyone via email, 1 hour prior to your scheduled session. For this reason, please be sure the email address you use for the contact form is one that is used and checked regularly.
